### SUMMARY OF EXPERIENCE

Zach joined Rosenfield as part of our successful internship program in 2014 and officially transitioned to full time in 2016. He has become a vital member of the Tax and Dealer Services teams, where he utilizes his passion for the Automotive industry to work with some of the Firm's largest automotive clients. He also became part of the Emerging Technology Services team after its inception in 2019. Zach specializes in Cost Segregation Studies, LIFO, and Dealership accounting and Benchmark analysis. He takes pride in introducing the firm's tax interns to the world of vehicle LIFO and sharing his proficient knowledge in the field.
